

## **Service Electrician**

Combine your technical knowledge as an electrician with your skill in customer service at Ravinia Plumbing, Sewer, Heating & Electric in Lincolnshire, IL. We have been in business for close to 100 years and our business is thriving because of outstanding service, trustworthiness, professionalism and quality.

As a member of our team you will be servicing residential customers, mostly on the North Shore, requiring a high degree of customer service and support skills and five or more years of verifiable electrical experience. You will be assigned service appointments and remodeling jobs requiring timeliness, dependability and problem resolution. Candidates should have a broad base of experience from upgrading electrical services and remodeling to installing a wide array of lighting products, light fixtures and new lighting control technology. Excellent communication and follow-up skills are required with both our customers and our office staff.

Candidates must also have proficiency with:

- NEC
- electrical theory
- reading plans and spec books
- laying out work in rooms and cabinetry from plans
- conduit bending

Key requirements for this position are:

- Five or more years of electrical experience
- Excellent customer service approach
- Valid driver's license
- Ability to communicate verbally and in writing in English
- Neat and clean personal appearance
- Neat and organized work habits
- Forward thinking
- Ability to operate at a fast pace
- Completion of a four year electrical apprenticeship is a plus

We are a drug-free work place with a program that includes testing for pre-hire, post-accident, reasonable suspicion, and random, plus criminal background checks. Uniforms with cleaning allowance are provided and required as part of our professional image.

The chosen candidate will enjoy an attractive compensation plan, including a competitive base pay and a comprehensive benefits package including **FREE** health insurance, a 401K with company match and paid time off.

**Ravinia Plumbing, Sewer, Heating & Electric is an EEO employer.**
