

Sewer & Drain Technician

Ravinia Plumbing, Sewer, Heating & Electric Co. in Lincolnshire, IL, serving the greater North Shore area for 92 years, is seeking candidates who have experience doing sewer and drain work and are motivated, self-starting individuals. Our business is thriving because we are known for providing outstanding service, trustworthiness, professionalism and quality. If you have these qualities, please consider this opportunity.

We need people willing to work hard given this job is physically demanding with some unpleasant work elements – dealing with sewage, hand excavation, rodding drain lines, working outside, etc. Additional duties include cleaning drains, working on sewer lines, using sewer cameras inspection equipment, installation of sump and ejector pumps, and cleaning interior drain lines. As a member of our field technician team you will interface with our customers so we need candidates who are personable and confident communicators.

We seek candidates who are dependable, organized, have proven good judgment and have held a responsible role in the past.

Key requirements for this position are:

- Minimum 1 – 2 years experience/seasoned candidates preferable, will accept a trainee.
- Enjoys serving customers
- Able to climb in attics, crawlspaces, dig, and lift in excess of 75 lbs.
- Able to communicate verbally and in writing in English
- A neat & clean personal appearance
- Neat & organized work habits
- Able to operate at a fast pace
- Prior experience in a physically demanding job

We are a drug-free work place with a program that includes testing for pre-hire, post-accident, reasonable suspicion, and random checks. We also conduct a criminal background check. Hours are M-F, 7:30 – 4:00. Once trained, you will be part of the on-call rotation.

The chosen candidate will enjoy an attractive compensation plan, including a competitive base pay and a comprehensive benefits package including family health insurance plan with no monthly cost to the employee and a 401K-like program **fully paid** for by the company with no contribution requirement by the employee.

Ravinia Plumbing, Sewer, Heating & Electric is an equal opportunity employer.
