

# Internet Connectivity Services from Ravinia Plumbing

## The Name to Trust to Keep You Connected

Working from home. Web-based schooling for the kids. Online doctor visits and consultations. Zooming with coworkers, friends and family. Streaming TV shows and movies.

Thank goodness for the Internet while you're staying at home. But with you, your family and your neighbors using the Web more than ever, you may be experiencing both difficulty connecting as well as slower loading times when you do. If you are having problems, our electrical technicians can help.

### Our Comprehensive Internet Connectivity Services:

- Check your modem and router to ensure they are working properly
- Check the strength of the cable signal coming into your home from your service provider
- Check the Wi-Fi network signal strength within your home
- Review your network devices and provide recommendations for improving connectivity based on your home construction, placement of wireless signal improvement devices, and placement of hardwire solutions

**SAVE \$50**

**on Internet Connectivity Services**

**Regular \$149; now \$99**

Offer expires August 31, 2020. \$99 for first hour, including consultation and any service that can be done within an hour. Material, components and equipment extra. May not be combined with other offers.
